

Presidents Message-

Hi & Merry Christmas to All,

Considering that I&WP Assoc has only been going since September, the membership has grown to approximately 25 members and they are either already NRHA members or keen to become members.

The first club day was a big success with many faces and some old hands that are keen to help this affiliate grow, the committee are committed to grow this great sport, along with the ideals set out in the NRHA handbook.

There has been an application lodged with NRHA to become an emerging affiliate, this takes the pressure away from having to hold shows until the committee feels we have the numbers to run a successful show, all that needs to be run is a clinic per year run by an NRHA professional.

Once the affiliation is approved, the committee will then apply for membership of the Oceania Council this group is the council to the NRHA, there are 7 other affiliates that make up the council, all independent of each and they all run their affairs but they all come under the NRHA.

There are a few others clinics planned once these are finalised by the committee all the members will be advised by email, there will also be Face Book post on the clubs FB page.

There is also a clinic planned followed by a jackpot show this will give members a chance to get some show experience and learn at the same time more on this at a later date.

The clinic with NRHA Professional Scott Burnett was a great success with all attendees going home with a thing or 2 to practise, thanks to Scott for making the trip over.

A lot of people camped and had a great feed on the Saturday night with a lot of laughs, we all were very fortunate to have the beautiful and very talented Claudia Harrison sing and play for the group for an hour or so, thank you Claudia so much for giving us all the opportunity to experience your incredible talent.

There was a club day held at Orange Grove on the 26th of November a small but very enthusiastic group took the opportunity to learn some basics from IOR&WP Vice President Kev Harrison thanks Kev for giving up your time and help others to enjoy the wonderful sport of reining & western performance.

I would like to thank the committee and all the new members that have joined IOR&WP since its inception without members there is no club so thank you all for sharing our dream of growing and developing NRHA reining in WA

That's about it from me for now, remember Respect the Sport Respect the Horse, Slide along Spin Fast. I hope you got a chance to watch the NRHA Futurity Finals on Sunday morning.

Calendar

First club day for 2023 has been locked in for **February 28th, 2023**. More info to come, Further dates to be advised asap.

Scott Burnett Clinic

The 2-day clinic was held on a private property in Roelands south of Perth. It was a great success everyone taking a load of information home to work on. We are planning have Scott back again in 2023 for another clinic weekend.

Club days

We have had 2 successful club days since we started in September, mornings of tips and exercises to work on followed by BBQ lunch and free ridden time in the afternoon to play around with your horses.

Lots of club days planned for 2023 keeps a eye out for updates.

Collie State Show

On the 5th and 6th of November Collie western riding association put on the 2022 NRHA Oceania WA'S state Championships. With NRHA judge Anthony Ross coming over from the eastern states. The 2 day Ranch & reining show was a fantastic weekend, a great time had by all, it was nice catching up with new and old faces. The traditional big feast on

Saturday night was a hit, thank you to all the Collie committee & volunteers putting this show together if it wasn't for your hard work and commitment shows like this wouldn't happen. Beyond blue bingo was a great idea and so much fun, the raffle's were a big success.

Congratulations to everyone who competed over the weekend, also to those who took placings and prizes home. Well done to you!
